STANDARDISED PRICE LIST & BESPOKE SERVICE OVERVIEW

Introduction

At House of Harvel, we provide a highly personalised, discreet and deeply attentive level of service to a limited number of families.

To comply with requirements set by the Competition and Markets Authority, we present below a standardised price list. This reflects a simplified version of services for transparency and comparison.

However, it is important to note:

The majority of families we support choose a fully bespoke service, individually designed to reflect the life, values and wishes of the person who has died.

Standardised Price List (CMA Required)

STANDARDISED PRICE LIST & BESPOKE SERVICE OVERVIEW

Unattended Funeral

Unattended Cremation (with full support)

£20,000

Includes:

- Dedicated 1:1 support throughout
- Collection and care of the deceased
- Ceremonial preparation of the body
- Guidance and support for family involvement
- Arrangement of cremation without attendance
- Support in creating a separate memorial or celebration of life

While no formal service takes place at the crematorium, this offering provides the same depth of care, attention and support, allowing families to create a more personal and meaningful memorial at a time and place of their choosing.

Disbursements (Third-Party Costs)

These are fees paid to third parties and are not controlled by House of Harvel:

- Cremation fees: £[range depending on location]
- Burial fees: £[range depending on location]
- Celebrant or officiant: £[range]
- Flowers: £[range]
- Media: £[range]

A full estimate will be provided once arrangements are discussed.

Bespoke Service Offering

At House of Harvel, our work extends far beyond the standardised model described above.

We provide a fully immersive, 1:1 service, working exclusively with one family at a time.

What This Means in Practice

- No concurrent funerals or divided attention
- Continuous presence and availability
- Deep involvement in every aspect of care and ceremony
- Time-rich, unhurried support
- Collaboration with families, estates and advisors

STANDARDISED PRICE LIST & BESPOKE SERVICE OVERVIEW

Areas of Bespoke Support May Include

- Ceremonial and spiritual care of the body
- Home vigils and family-led involvement
- Multi-day or multi-location ceremonies
- Coordination with private estates and international arrangements
- Integration of cultural, spiritual or ecological elements
- Detailed logistical and aesthetic design

Pricing Approach for Bespoke Services

While a standardised price is provided above for regulatory purposes, most services are individually designed. **As such, total costs vary depending on the level of involvement, complexity and personalisation required.** Following an initial conversation, a clear and detailed proposal will be provided.

Typical Investment

Most families choose a more personalised level of service, with total costs typically ranging from £65,000 to £150,000+, depending on the depth of involvement, time and complexity required.

Additional Products & Services

Where relevant, the following may be offered:

Coffins

A simple, elegant coffin is included within our standard service.

For those who wish, we can source or commission bespoke and artisan coffins, crafted with care and attention to material, form and meaning.

Bespoke and artisan coffins:
from £2,500

These may include:

- handcrafted wooden coffins
- woven or natural material designs
- fully bespoke commissions created in collaboration with specialist makers

Each piece is selected not only for its quality, but for its appropriateness to the individual.
